HAVEN - FAMILIAR TILE

Traditional wisdom tells us there's no place like home. It's a universal truth. But what if home was not simply a place but a state of mind? The Haven collection reimagines home as a mood, an idea, a quality of comfort and familiarity that feeds our instinctual desire to feel grounded in the world.

SUITED - BRAID TILE

We respond to our environments in myriad ways, but the core of our responses are aesthetic, tactile or emotional. Suited draws upon all of these responses to both soothe and empower, inspire and engage. Suited brings innate confidence to each new space, evoking a sense of comfort and belonging. Now with two new styles - Beam and Braid, Suited is one of our carbon neutral collections.

OFF THE GRID - DISCOVER TILE

As our schedules leave little time for reflection, and our digital lives distance us from the world around us, we yearn for the calming power of a soft surface, the visual harmony found in nature, for physical connection. Off The Grid is a deeply textural collection of undulating patterns that mirrors the natural world and forges deeper connections to the world around us.
